TREES

I think that I shall never see
A poem lovely as a tree.

A tree whose hungry mouth is prest
Against the earth's sw't flowing breast

A tree that looks at God all day,
And lifts her leafy arms to pray;

A tree that may in Summer wear
A nest of robins in her hair;

Upon whose bosom snow has lain
Who intimately lives with rain.

Poems are made by fools like me,
But only God can make a tree.

—Joyce Kilmer.

1926

RULES:—Twenty-five and up at one hundred rates; two hundred-fifty at thousand rates.

VARIETIES OF APPLES

LIBERTY IRIS

The Iris is one of the most beautiful flowering plants in all nature. They are very hardy, will grow in any soil, and never fail to live. Contrary to most classes of nursery stock they can be planted any time during the summer but our regular shipping season is Fall and Spring.

We have a wonderful assortment of colors and are furnishing many patrons in hundred and thousand lots. They can be sent parcel post and give entire satisfaction.

Prices—Each 25c; Dozen \$1.50; 100, \$10.00

TESTIMONIALS

Kansas City, Mo.

To Whom It May Concern:—I have been personally acquainted with Mr. Zieber of the Pawnee Rock Nursery for 30 years. Have just received some Spirea Shrubs. They were in splendid condition, well packed, reached destination in good shape. Mr. Zieber never fails to give absolutely fair treatment and prompt service and I know these statements to be a fact by personal dealings.

Very truly,
MRS. JAMES RAGAN.

Pawnee Rock, Kansas.

"I have no trees or shrubs on my place but what were bought from the Pawnee Rock Nursery, W. M. Zieber, Proprietor, and I irew first prize for display of apples at the Pawnee County Fair and four firsts at the Barbon County Fair—Gano, Ben Davis, Black Twig and Stamey Winesap. These apples were grown in Pawnee County, River township."—C. W. Converse, Owner.
